

## Returns & Warranty Policy

TWO YEAR LIMITED WARRANTY Bird Control Group products are warranted to be free from defects in materials or workmanship for two (2) years from the date of purchase from an authorized partner of Bird Control Group products. Within this period, Bird Control Group will, at its sole discretion, repair or replace any components that fail in normal use. Such repairs or replacement will be made at no charge for parts and/or labor. Replacement products may be new or refurbished at our discretion.

This warranty does not apply to:

- (I) cosmetic damage, such as scratches, nicks, stains and dents;
- (II) consumable parts, such as batteries, unless product damage has occurred due to a defect in materials or workmanship;
- (III) damage caused by accident, abuse, misuse, water (in excess of specifications), flood, fire, or other acts of nature or external causes;
- (IV) damage caused by service performed by anyone who is not an authorized partner; (v) damage to a product that has been modified or altered without the prior written permission of Bird Control Group; or a product where the serial number has been removed.

Repairs have a ninety (90) day warranty. If the unit sent in is still under its original warranty, then the new warranty will be the longer of ninety (90) days or the balance of the original two year warranty.

The warranties and remedies contained herein are exclusive and in lieu of all other warranties express, implied, or statutory, including and liability arising under any warranty of merchantability or fitness for a particular purpose, statutory or otherwise. Subject to applicable law, in no event shall our liability exceed the purchase price of the products.

If a defect is reported after the warranty period Bird Control Group can offer an assessment of the defect including quotation for repair or replacement, following the return policy as described below.
